WELCOME TO RIVERVIEW HIGH'S THEATRE PROGRAM!

Director's Note:

Thank you for supporting our Theatre students! The best way to learn theatre is through putting on a production. Performing your first play in Theatre 1 has become a crazy but fun right of passage and helps our students practice skills such as time management, team work, focus, and confidence. As students continue to AICE/ Theatre 2 they add the skill of writing and directing as a collaborative group. Please help them have the best performance experience by following the rules below.

House Rules:

1. Please refrain from talking during the performance.
2. Please silence your phones and turn your brightness down.
3. Flash Photography is prohibited.
4. If you have a young child that becomes restless during the production, please escort them to the lobby.
5. We encourage you to use the restrooms before the show or during intermission--not in the middle of a scene.
